

St. Paul's Convent School

Fee Remission 2012 - 2013

Since joining the Direct Subsidy Scheme (DSS) in 2004, our school sets aside not less than 10% of the school fees receivable to provide assistance in the form of fee remissions to students in financial needs and scholarships to those who have shown outstanding performance every year. Fee Remissions / Scholarships are awarded annually for the whole academic year.

A. Fee Remission

1. Eligibility Criteria

All students who are enrolled at St. Paul's Convent School are eligible to apply for fee remission. The amount of fee remission granted to a needy student is expressed in the form of percentage reduction to the school fee depending on their home / financial situations. The level of fee remission is based on the points scored under the Reckoner in Annex A. The principal has full discretion to upgrading the level of the fee remission to the needy students in consultation with the Fee Remission / Scholarship Team. A Self-Assessment Platform on the students' eligibility for fee remission can be found at <http://www.spcs.edu.hk/school/remission/>.

2. Application Procedures

Parents/guardians who wish to benefit from the Fee Remission Scheme must submit the completed application form together with copies of the required documents, not later than the specified date (normally within the first two weeks of September of each year). All information provided in the application form and the supporting documents submitted are subject to strict verification.

3. Exceptional Cases

3.1 Children of Staff

Staff's children will be automatically entitled to a 50% fee remission.

3.2 Siblings in the same school

Fee remission will be given to students when the total payment of school fees exceed 20% of the total income of the family.

3.3 Emergency Financial Assistance

If the financial circumstances of a student's family have changed adversely after the closing date of the fee remission application, parents are at liberty to make an application to the school for fee remission any time during the school year. Fee remission up to 100% will be granted to applicants subject to the information submitted in support of the application.

4. Review of Policies

The policies and rules will be reviewed from time to time by the school fee remission / scholarship team and changes will be made after the approval from school authority.
