Grand Palace

The dazzling, spectacular Grand Palace is undoubtedly the most famous landmark in Bangkok. It's one must-see sight that no visit to the city would be complete without.

Ramayana Water Park

Ramayana — Thailand's largest Water Park, offers 21 waterslides, a 600-meter long lazy river, and two areas for children. Suitable for both adults and children!

Pattaya Elephant Jungle Sanctuary

Visitors can feed, play and interact with elephants in an ethic environment. They can even take a mud bath with the elephants!

Pattaya Floating Market

Some of the stalls are in boats which move around the canals and some are stilted properties that stand at the sides on the banks.
